Mrs. Rachael Calkins has been the sponsor of the Debs since 1948.

During preparation for halftime shows, Mrs. Calkins confirms routines with drum majorette.

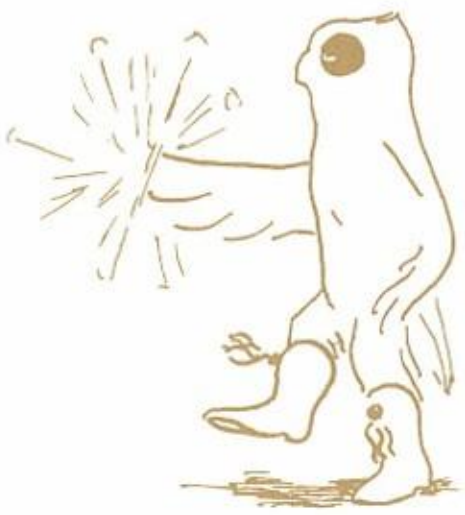
Dedication

For a friendly word and a cheery
smile,
For your fighting spirit all the
while,

For your faithful guidance and
instruction each day,
For your sweet personality and
understanding way,

For working with others, and
bringing them joy,
For being a loyal friend to each
girl and boy,

For your loving encouragement in
everything we do,



We, the Annual Staff, dedicate this 1962 Owl's Nest to you .

. . . Mrs. Rachael Calkins.

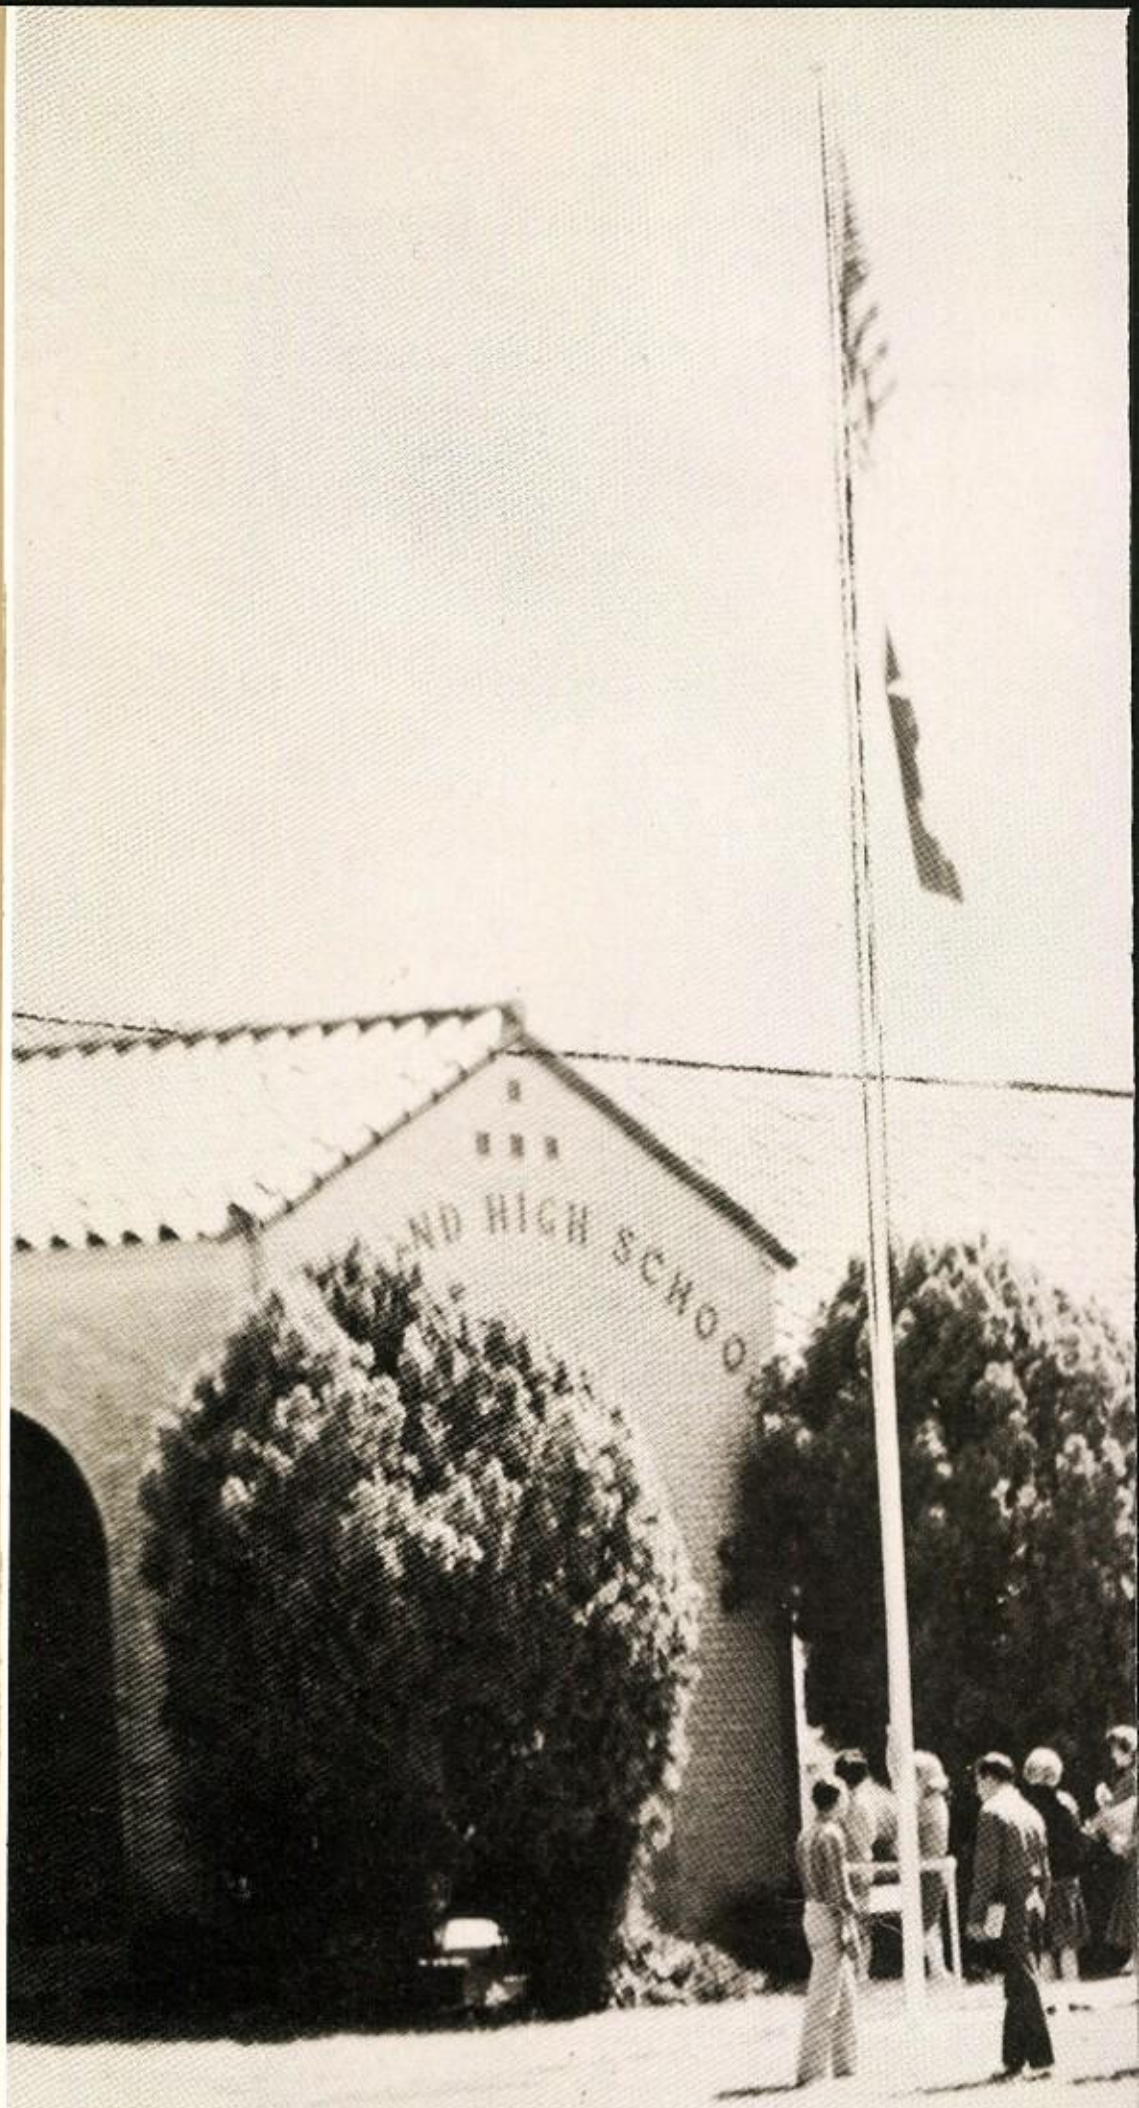
Foreword

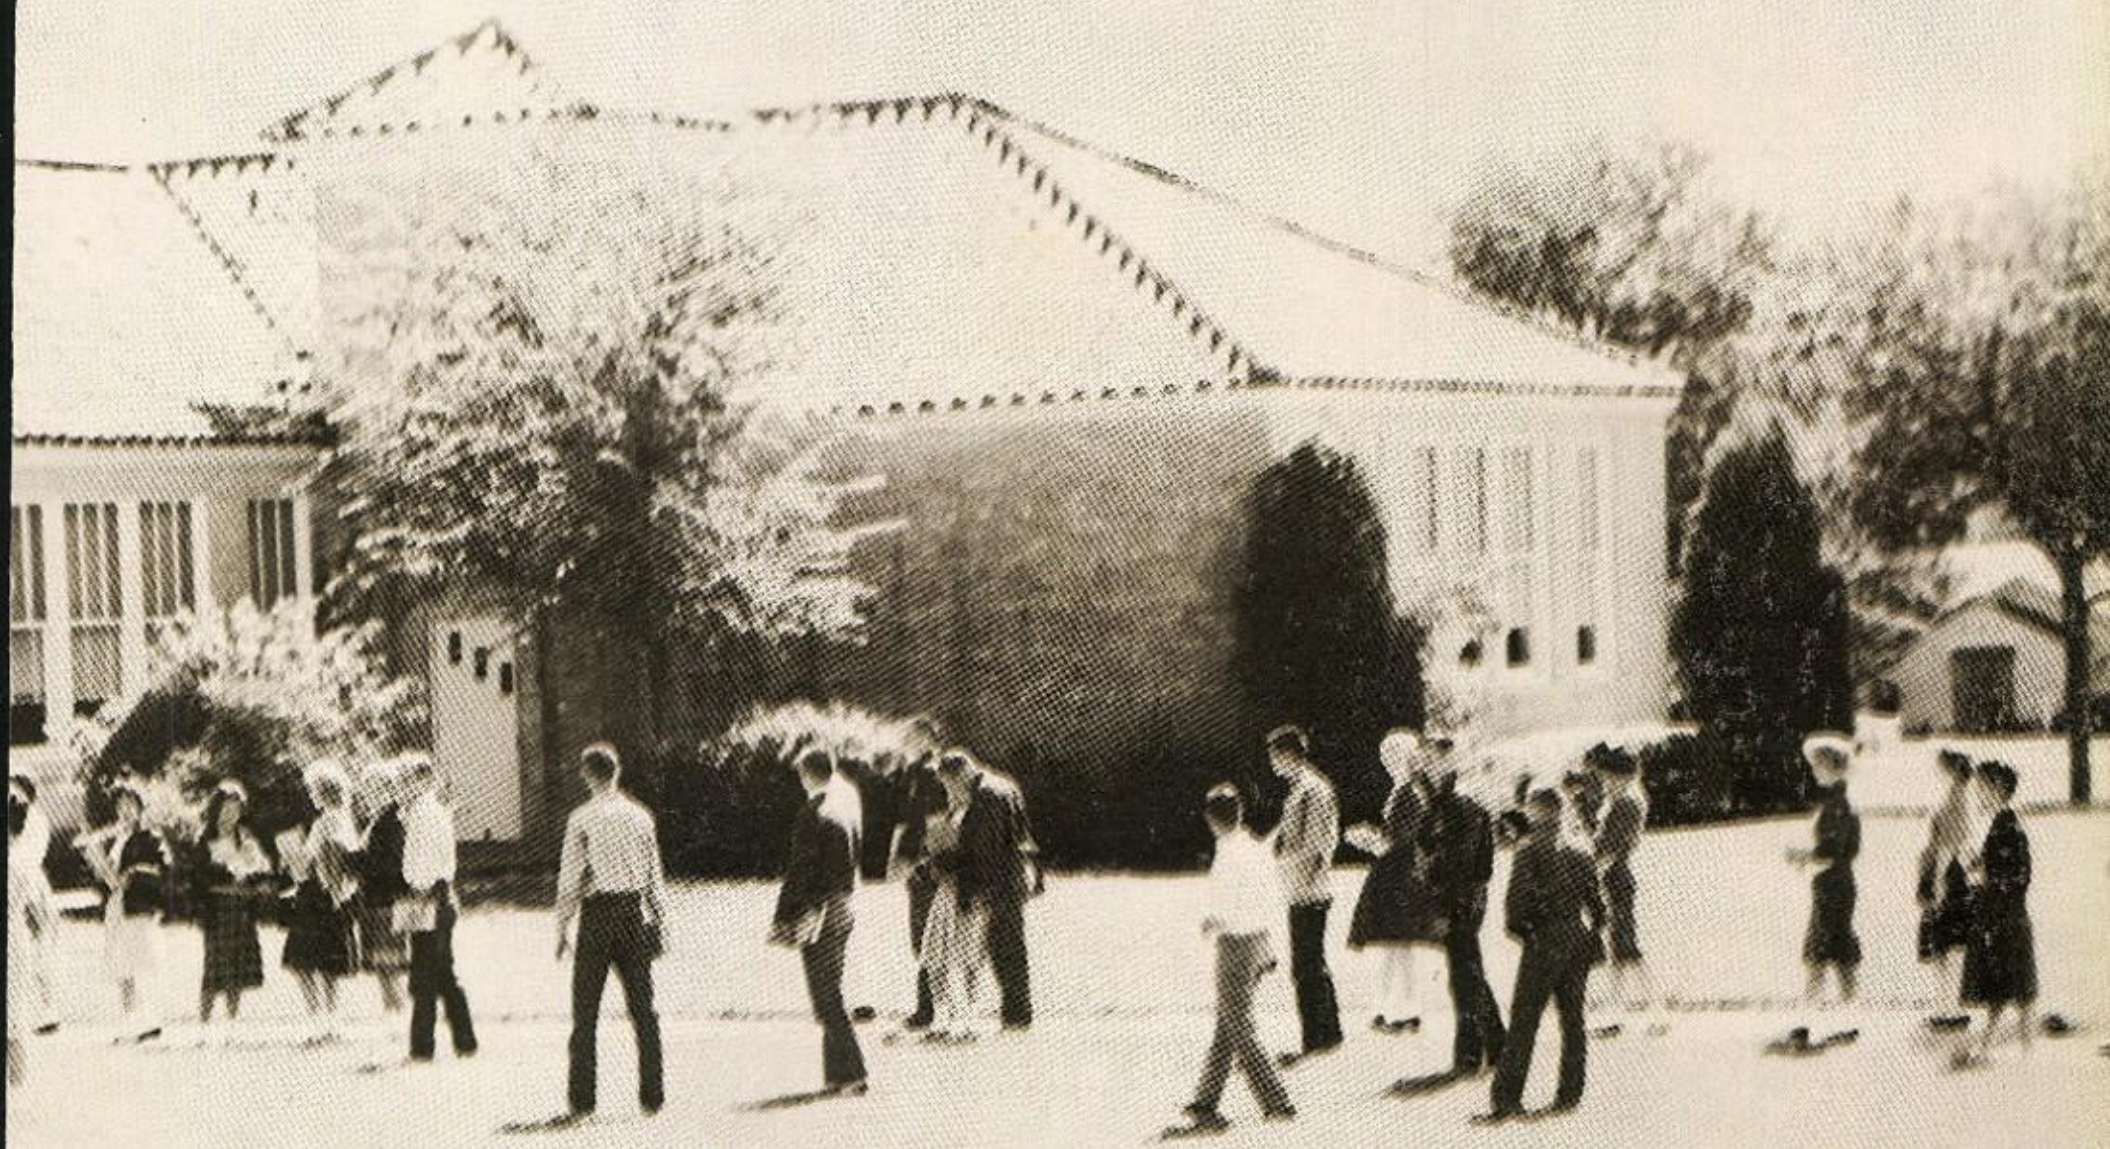
Soon some five hundred of us will say good-bye to Garland High School. We will miss our Alma Mater. Most of all we will miss the people, the friends, whom we came to know and love as Garland High School.

But really we will always be together. It is the goal of the 1962 Owl's Nest to keep us together.

The annual staff cannot achieve this goal alone. It will take each of us, both student and faculty member, turning through the pages of the 1962 Owl's Nest for years to come. For it is here in these pages that we will always be

together . . .





. . . saying "hello" to G.H.S. . . .

Alma Mater

Hail, Garland High School
Your Glory behold,
We'll e'er be loyal
To the Black and Gold.
Our Alma Mater,
Steadfast you'll always be.
We'll cherish you
Through loss and victory.

The 1961 Owls, coached by Homer three wins and seven losses in a season of bad breaks and bitter disappointments. The line was hit hard by graduation and injuries to key players. But the team made up for what they lacked in size, depth, and experience with an abundance of spirit, desire, and old-fashioned toughness.

Garland 22, Bryan Adams 12. In the Owls' first game of the season, a beefy Bryan Adams' team lost a 13-8 half-time lead in the last half as Garland came to life and scored two touchdowns. David Landgraf, who carried the ball 27 times for 167 yards, scored all of Garland's points.

Woodrow Wilson 14, Garland 12. The Wildcats came from behind and resisted Garland's attempts to score a third touchdown in a close, hard-fought game. Landgraf and Gary Mitchell led the Owls in offense, and Don Williams was a standout on defense.

Grand Prairie 21, Garland 6. The Gophers broke up a 6-6 half-time deadlock at the Gopher Bowl with a pair of touchdowns in the last half. Garland could manage only one touchdown against Grand Prairie's brick-wall defense.

Garland 24, South Oak Cliff 22. Garland got back on the victory trail a week later in Garland. Led by Eddie Horstman,

Ronny Faulkner, and David Landgraf, the Owls scored three touchdowns in the first half and then fought off the Golden Bears for the remainder of the game.

Garland 29, Irving 12. In a wild game highlighted by Ronnie Fitzgerald's spectacular 85-yard TD dash, the Owls finally got tough in the last half and sailed to their third and final victory. The fourth touchdown came on a pass play from Bill Hatchell to Bill Lofland, while Landgraf and Faulkner scored the other two.

McKinney 34, Garland 30. A full house at Williams' Stadium saw the McKinney Lions rally from the short of end of a 30-8 score in the third quarter to defeat Garland on a 43-yard touchdown pass in the last seven seconds of the game.

District games. In district competition, the Owls were unable to move the ball consistently on offense. Despite several heroic efforts, the Owls lost all four district games. At tough Yellowjacket defense led Denison to a 7-6 victory in the district opener, and an intercepted pass killed Garland's hopes the following week as Denton squeezed by the Owls, 34-22. Sherman gained a 7-6 victory over Garland on a fourth-quarter touchdown. These games were all extremely close and could have gone either way, but at Highland Park, the Owls found themselves totally outclassed as the Scots won, 36-8.

Denison 7 Garland 6

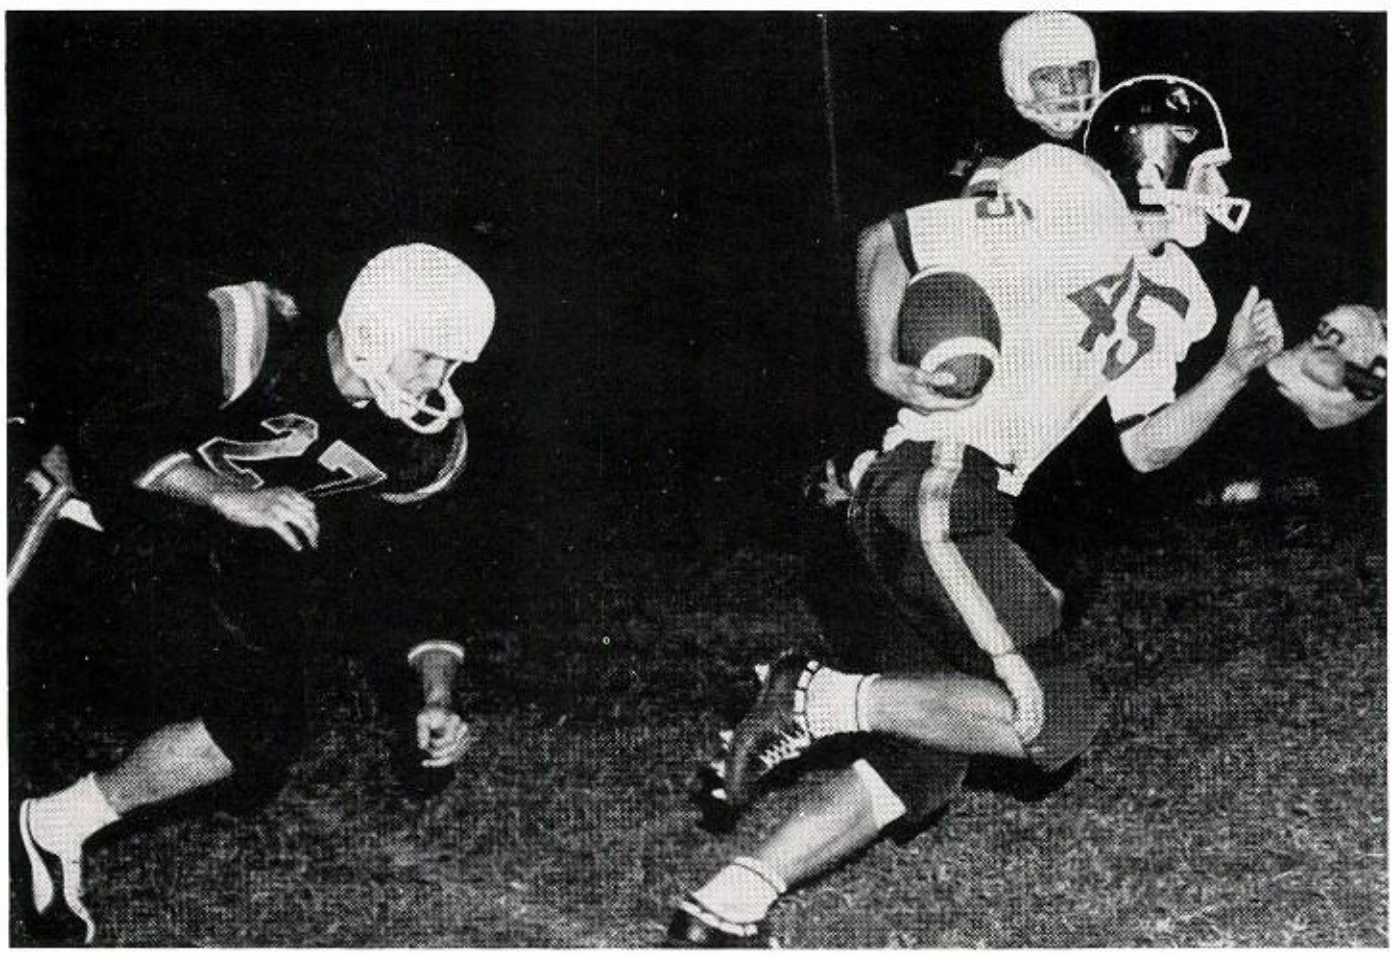
In the opening game of district competition, the Owls traveled to Denison and dropped a close one to a tough Yellowjacket team that eventually ran away with the district crown. Playing ball control, Garland led the Yellowjackets in rushing, passing, and first downs, but the final score still read Denison 7, Garland 6.

The Yellowjackets started the scoring in the second quarter after they intercepted a pass at the Garland 40 and returned it to the nine yard line. Quarterback Joe Parmley scored on a keeper from the three, and David Burks kicked the game-deciding extra point.

The Owls fought back after the half as Eddie Horstman returned the kickoff 63 yards to the Denison 27 yard-line. Two plays later, Horstman scored from 24 yards out on an end, but the important two point conversion attempt failed.

The Owls threatened late in the fourth quarter on a 70-yard drive, but their efforts bogged down on the Denison 12 yard line with less than a minute left in the game.

A Denison defender spoils David Landgraf's (44) attempt to pick up his blockers. Landgraf, however, led both teams in rushing with 118 yards.



Eddie Horstman (45) picks up a nice gain against Denison. Horstman scored Garland's only touchdown after returning the kickoff 63 yards.

Denton 34 Garland 22

In the second week of district play, the Denton roncos came to town to kill the Garland Owl's slim opes for a district title by downing the Owls, 34-22, n a wild, hard-fought game that was a lot closer than ne score indicated. The Owls had 16 first downs to Denton's 15 while the Broncos had 348 yards combined ffense compared to 345 yards for the Owls.

In the first half Denton's Jim Wilson scored the irst three of his four touchdowns for the night on aunts of 55, 2, and 20 yards. The 55-yard touchdown ash came on the first play of the game. Garland's nly first-half touchdown came on a pass from Ronny aulkner to Tommy Drum on a crucial fourth-and- ine situation. The first half ended with Denton ahead, 2-6.

After recovering a fumble on the Garland 29 arly in the third quarter, the Broncos quickly increased their lead to 28-6.

When Bill Hatchel came in as quarterback following the kickoff, the Owls came alive. Landgraf followed tremendous blocking 67 yards to the Denton's 13 yard-line. After Fitzgerald fought to the five, Horstman ran the remaining yards to make the score 28-14.

Early in the fourth the Owls narrowed the gap to 28-22 after a spectacular 45 yard touchdown run by Horstman.

Garland appeared to be headed for another touchdown that could lead to victory as they drove to Denton's 21 yard line early in the fourth quarter. But then Denton intercepted a pass from David Landgraf in the end zone to spoil the drive. Several plays later, Wilson completed his scoring rampage with a 78-yard gallop that sewed up the victory for Denton, 34-22.

David Landgraf (44) goes for a 20-yard gain against Denton after receiving a roll-out pass from Ronny Faulkner. Landgraf led the Owls offensively with 168 yards.

Eddie Horstman (45) collides head-on with a Denton defender in an attempt to grind out a few extra yards.

Sherman 7 Garland 6

The Garland Owls dropped their third straight district game by a score of 7-6 as the Bearcats of Sherman spoiled Garland's homecoming at Williams Stadium and defeated the Owls for the first time in seven years.

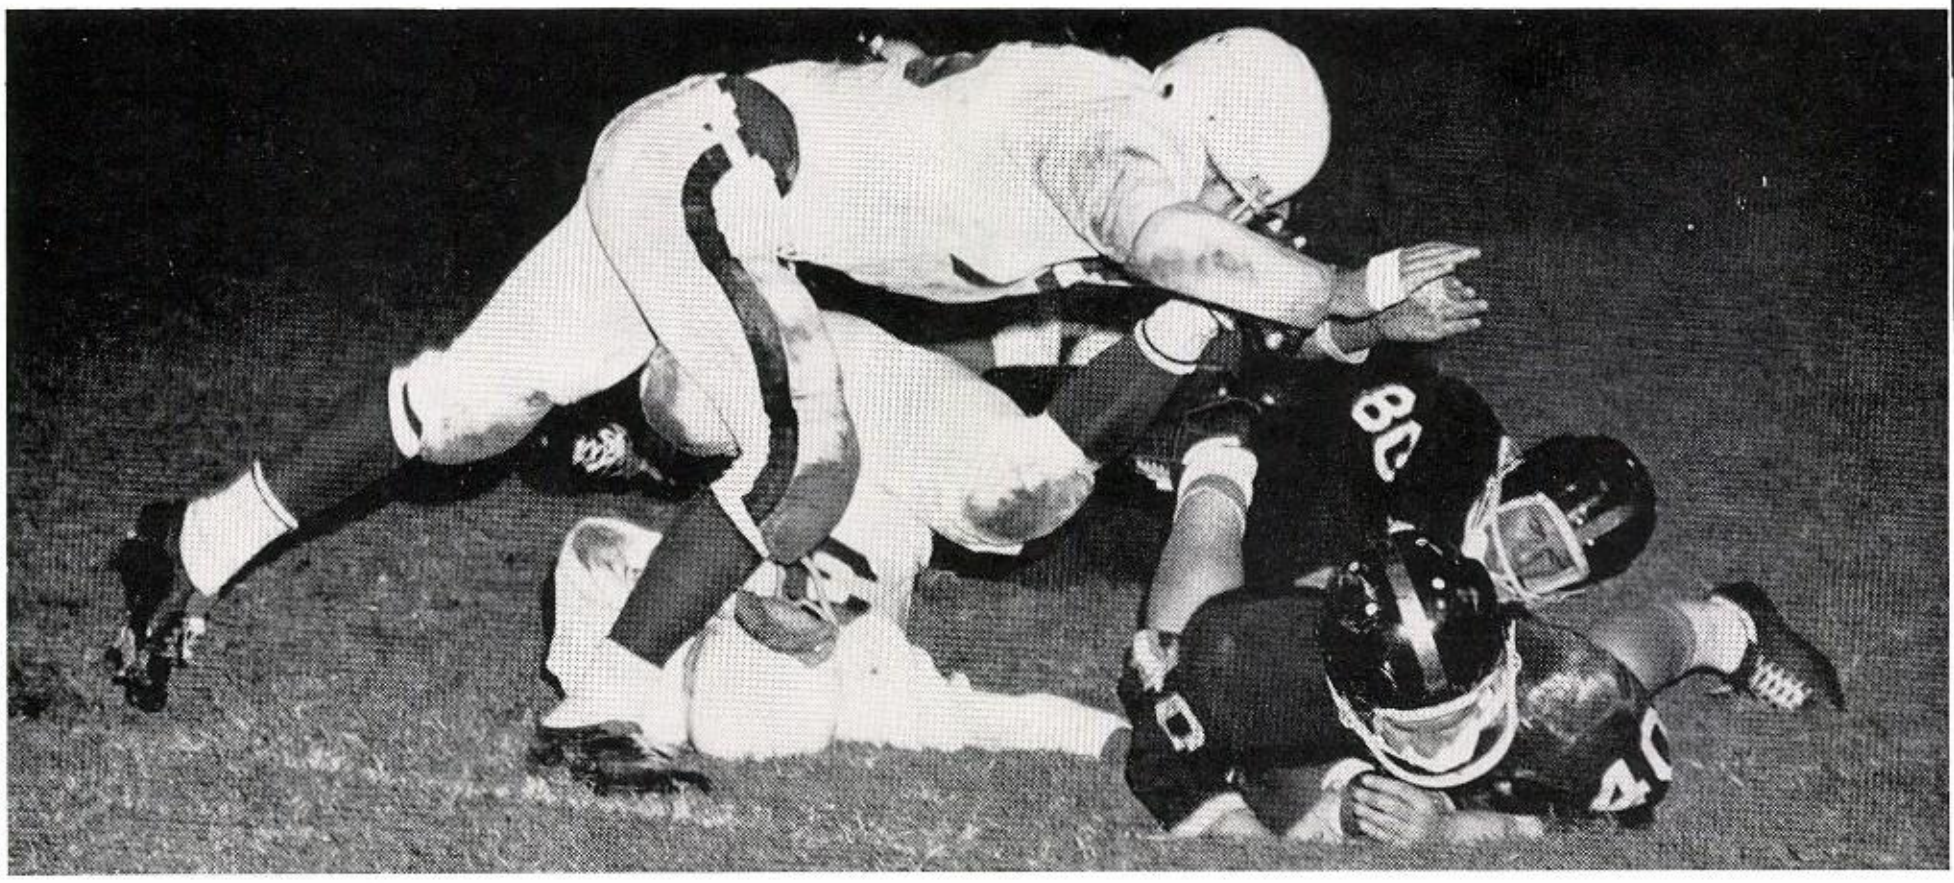
Protecting a 6-0 lead, the alert Owl defense was able to hold the Bearcats scoreless until early in the fourth quarter by intercepting three of ten Sherman passes (six of the others were completed) and recovering two of three Bearcat fumbles.

Eddie Horstman returned the first intercepted pass 26 yards to the Sherman 41. Three plays later Ronnie Fitzgerald ripped out another of his famous jaunts through the line and scored from 21 yards out with one minute left in the first quarter. The two-point conversion attempt failed.

In the second and third quarters, both teams made serious attempts, but neither were able to cross the other's goal. Ronnie Rutherford attempted a field goal from the 12 yard line in the third quarter, but it was short and wide.

In the fourth quarter, however, the Bearcats clawed their way to victory with nearly seven minutes remaining in the game. Ronnie Faulkner punted to the Garland 43 but a 26 yard punt return left Sherman deep in Owl territory at the 17. On the next play, Ronnie Waldo's pass was completed to the two. Harold Williams scored two plays later and then kicked the extra point to give Sherman a narrow 7-6 victory.

The major portion of the Owl defense, eight altogether, gang-tackles Sherman's 33.



A Sherman Bearcat rushes up to put the clincher on Ronny Fitzgerald (40).

Highland Park 36 Garland 8

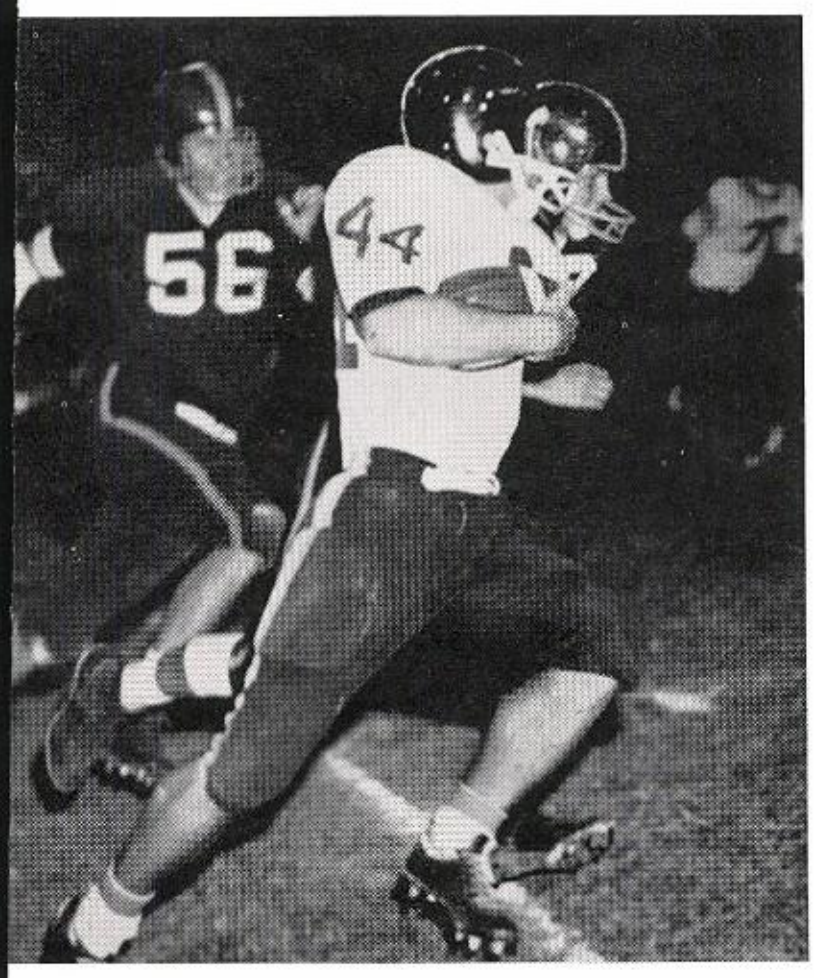
The Owls ran their losing streak to five with a umiliating 36-8 rout at the hands of Garland's tradi-ional rival, Highland Park. Charles King scored four ouchdowns to lead the Scots in revenge over last year's 4-14 tie that gave Garland the district title.

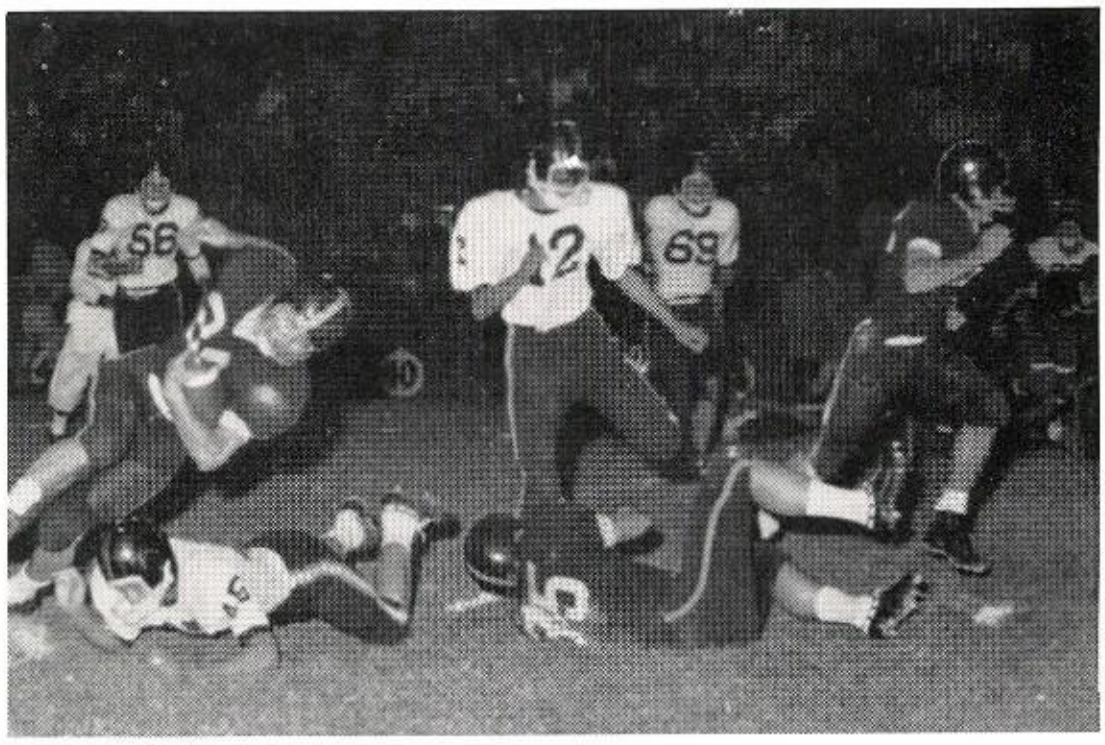
The Scots took advantage of a fumble on the Owl 27, a Garland punt blocked on the Owl 48, and an onside kick which Garland fumbled to run up a 22-0 ead before the first half ended.

The Owls returned from the half-time intermission fired up enough to give the Garland fans something to cheer about. Ronnie Fitzgerald returned the kickoff 29 yards to the Scot 41. The march was completed when Gary Mitchell, who played as quarterback during this march, threw a 25 yard pass to Tommy Drum in the end zone for the touchdown.

Highland Park's fourth touchdown was the result of a 74 yard drive. Charles King took the honors again from five yards out. The scoring was completed in the fourth quarter when the Scots marched 71 yards for their final touchdown.

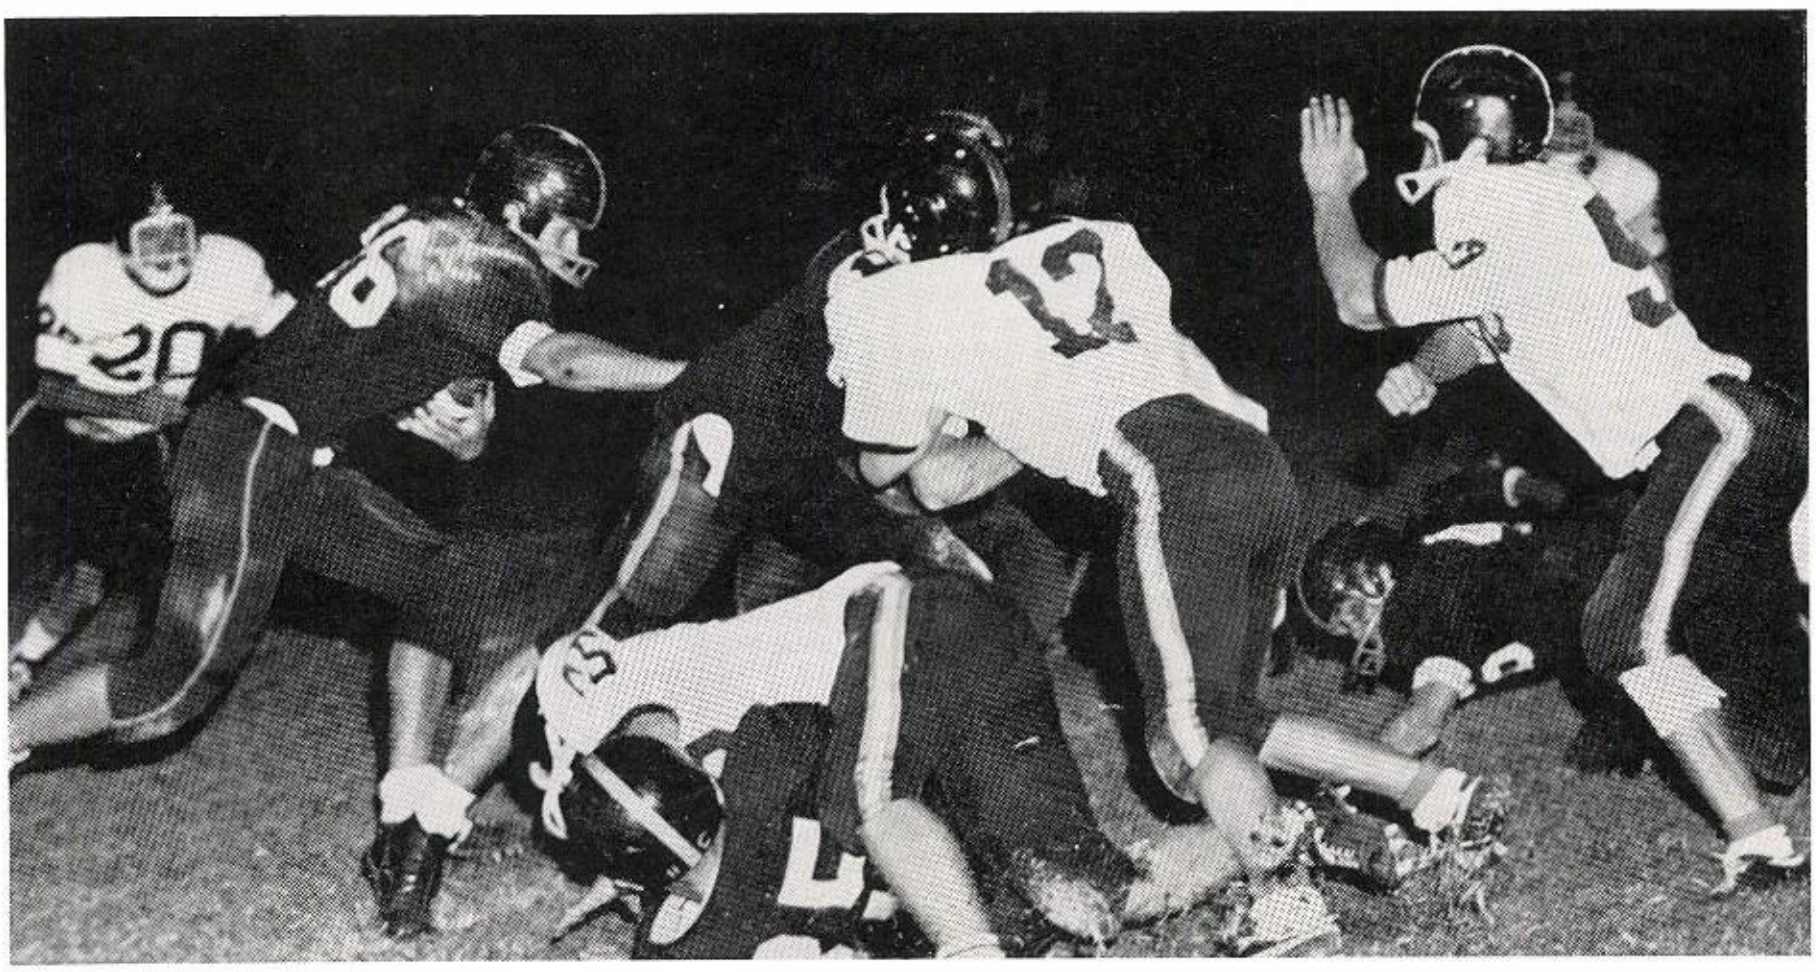
Besides the fine effort that led to Garland's only touchdown, the only thing that kept the game from being a total disaster for the Owls was the outstanding defensive performance of Ralph Weaver, a sophomore.





Eddie Horstman (45) stops Highland Park's Reagan Dixon (24) knocking him off balance.

David Landgraf rounds right end for 19 yards, the only substantial gain of the night for Garland.



David James (20), Ronnie Williams (12), and Jerry Turner (50) close in on Ralph Baker (16), a Scot halfback.

The 1961 Garland B-Team

The Garland B-team has emerged this year with a fine record of 3-5-0, and ha: done this through the cooperation of both coaches and players. Thus giving the A-team a bright outlook for future players next season. Throughout loss and victory, the B-team has always expressed fair and clean sportsmanship.

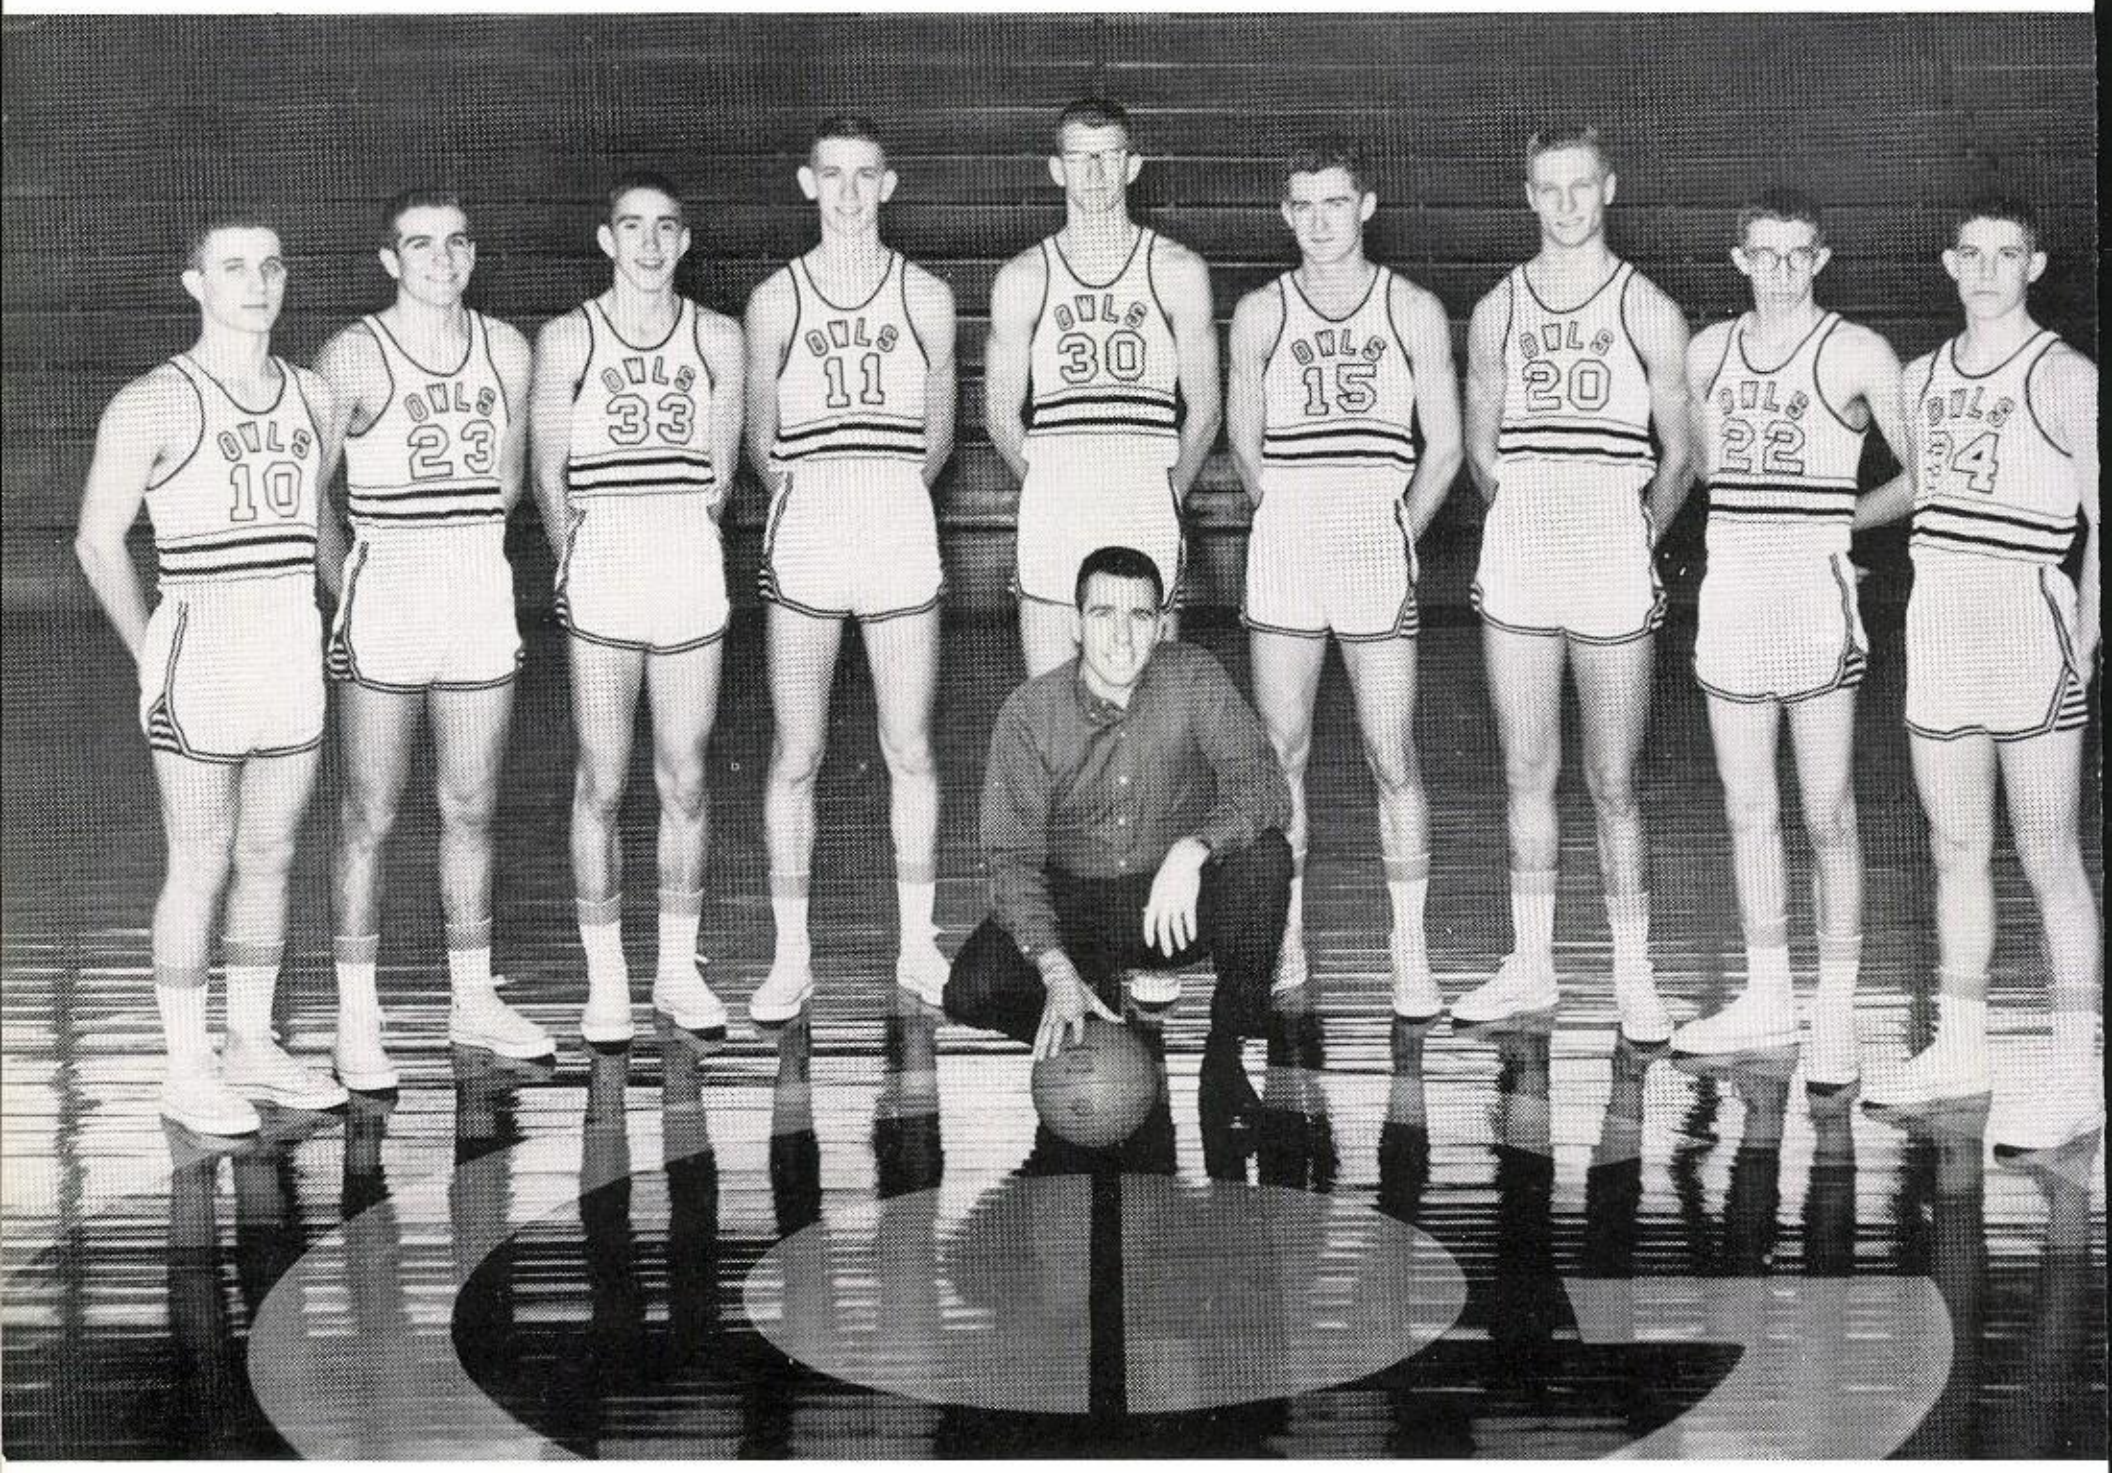
The 1961 Garland Owls

District 7-AAAA Champions



F. A. Coleman, Jimmy Manley, Mike Boyd, Ronny Culpepper, Marvin Smith, Mike McKerreghan, Jerry Matlock, Alan Thornton, Jimm Epperson, and Coach Joe Brown, kneeling.

This year Garland had one of its most successful basketball teams in history. Coach Joe Brown's Garland Owls compiled a season record of 23 wins and 2 losses. Although the team lacked height and experience, their spirit and strong determination brought an end to Denton's reign as District 7AAAA Basketball Champions.

While the season was still young, it was apparent that Garland had a top-notch basketball team. With each game their teamwork improved rapidly. The Owls' systematic offense and stubborn defense performed smoothly when the going got tough.

In district competition, the Garland cagers swept through the rest of the scheduled games with only a single defeat. After running over Denison, 81-51, t Owls lost a heartbreaker in the final seconds, 40-39, Denton, the defending champs. The loss did not damp their enthusiasm, however, as the Owls defeated Sherma Highland Park, and then Denison again. In their greate effort of the season, the underdog Owls triumphed ov Denton 56-51, on the Bronco home court. A magnifice 94-43 victory over Sherman and a 54-48 win over Hig land Park left the Owls in first place.

Garland lost the bi-district clash in Tyler with Tyl Lee, 56-48, but this year's basketball season will not soo be forgotten around GHS.

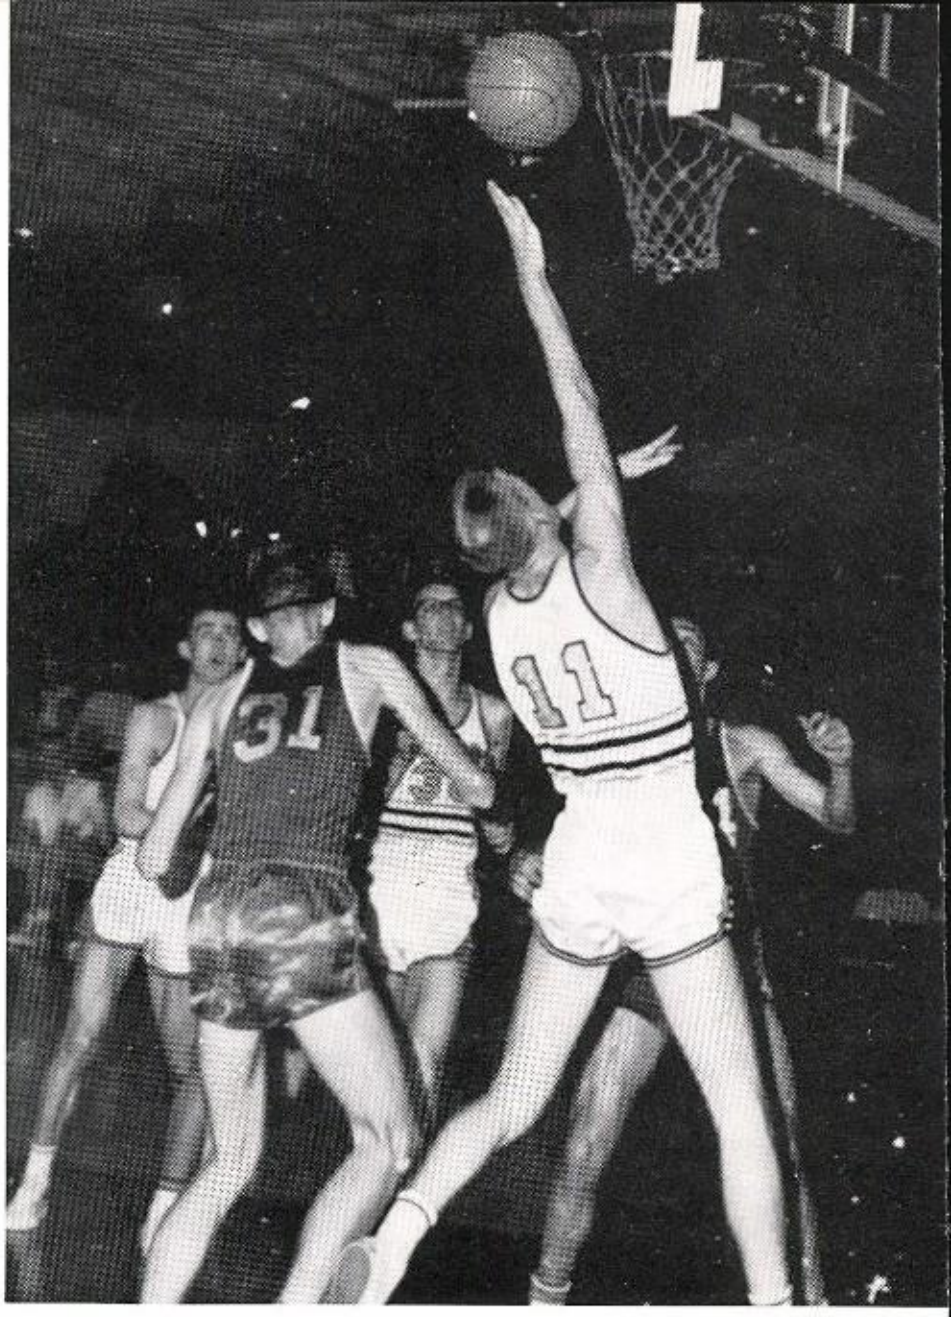
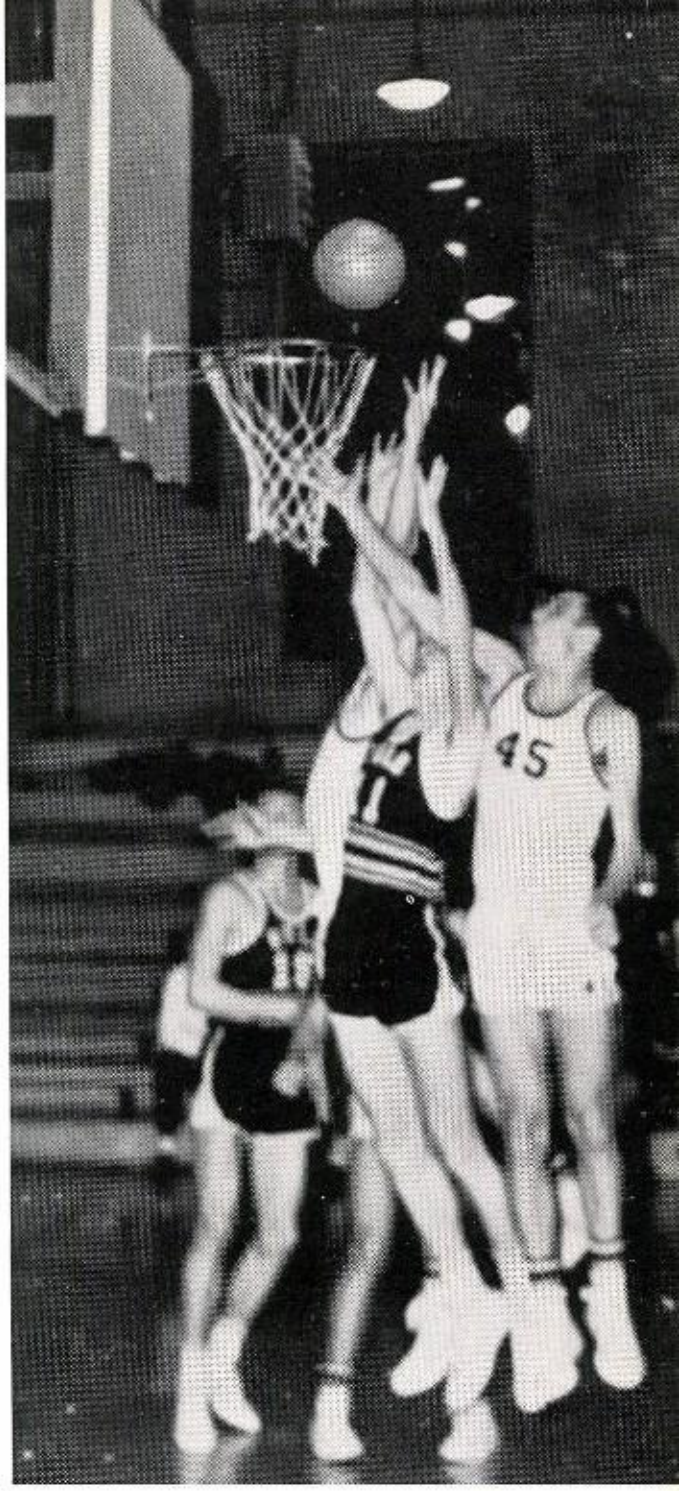
A Birdville player fouls Ronny Culpepper. The Owls won, 57-44.



Ronny Culpepper, with 18 points, led the Owls to a 69-53 v over Samuells . . .

. . . to gain revenge for their 62-57 loss to the Spartans in Garland Tournament finals.

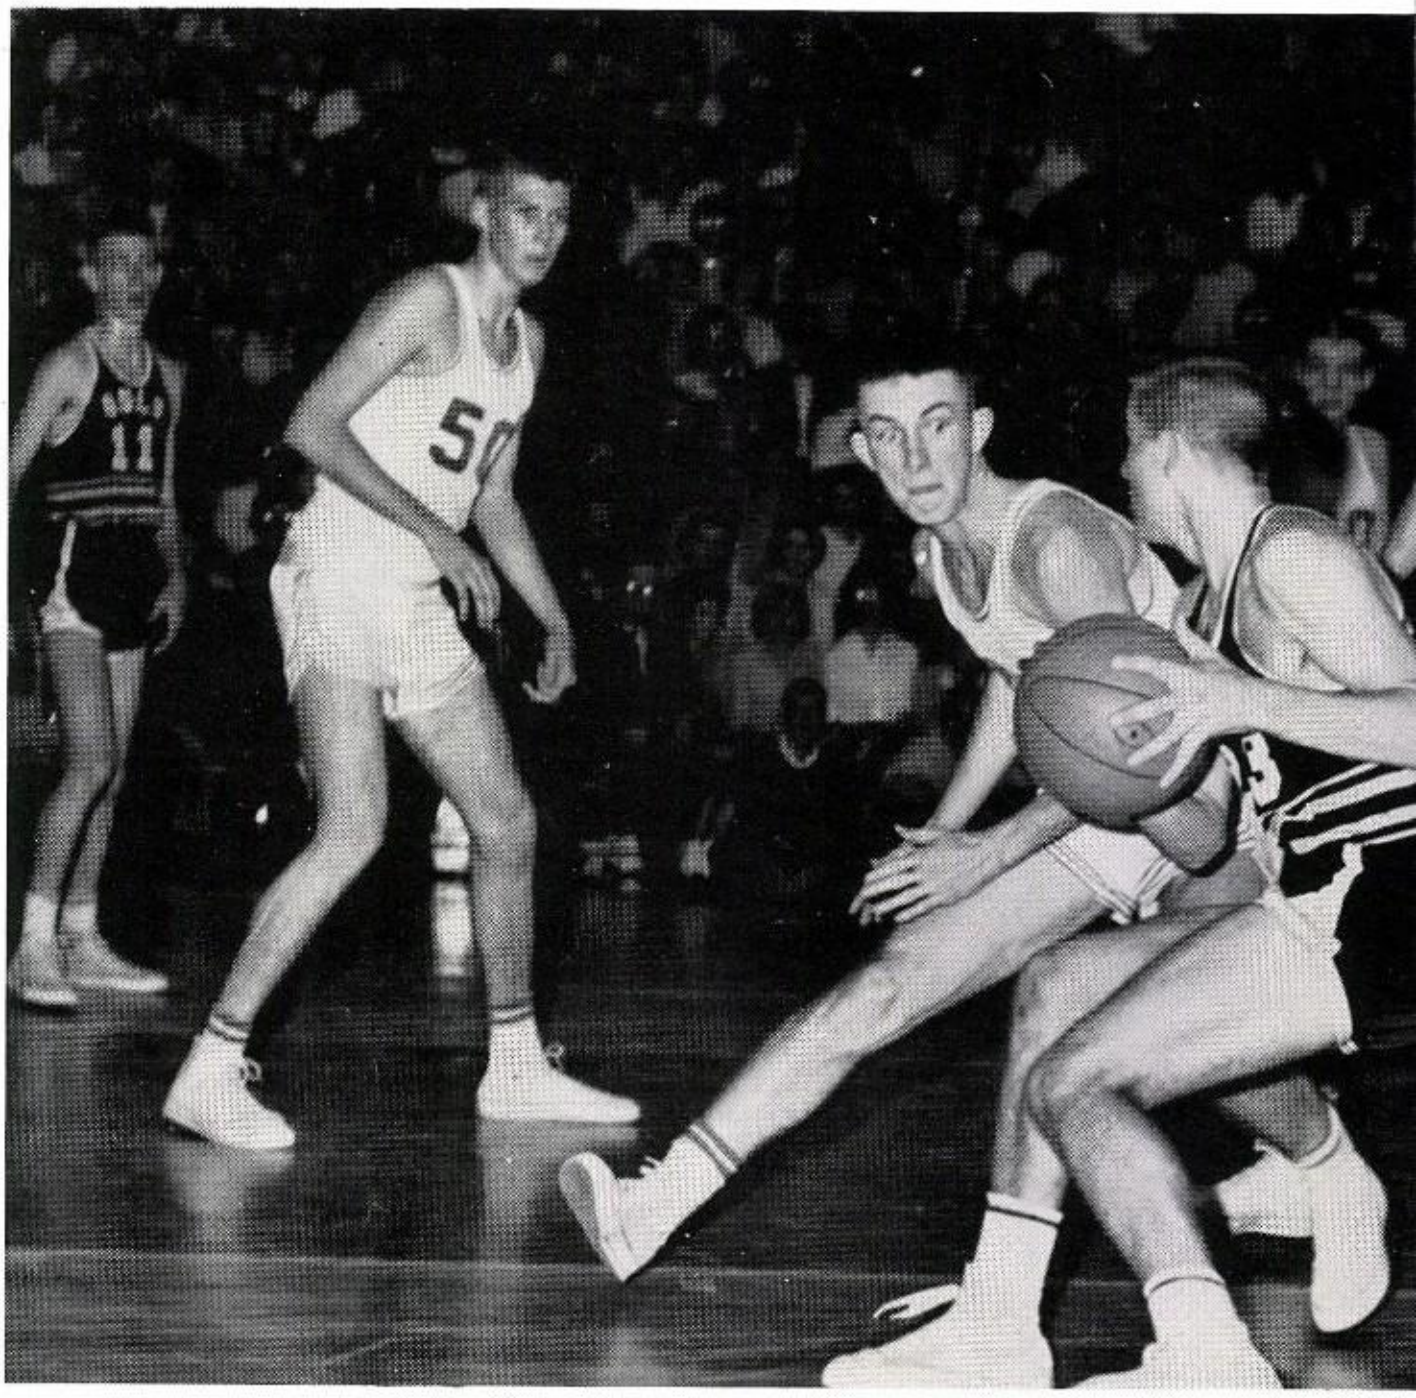
A. Coleman and a Tyler player scramble for the ball in the Rebels' 56-48 win over Garland.



Ronny Culpepper and Highland Park's John Massad fight for a rebound. Garland crushed the Scots, 61-48.

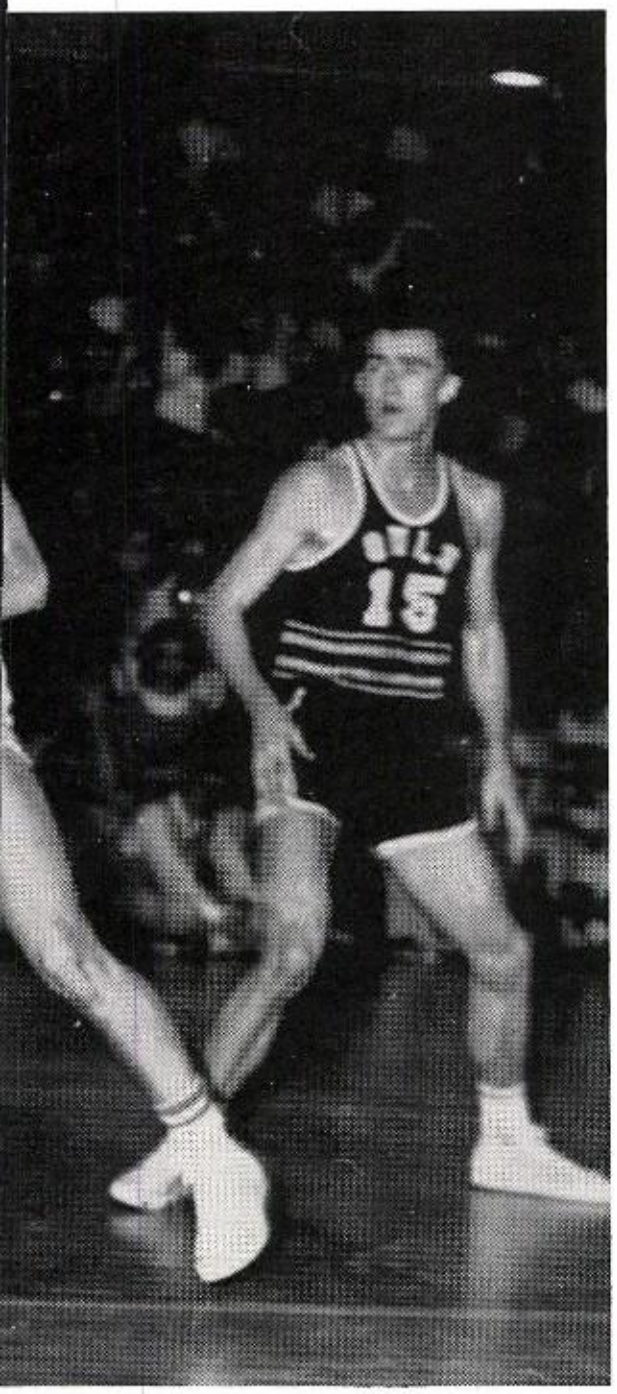
An unidentified Garland defender tries to keep a Denton cager from taking a shot. The Owls lost a heartbreaker in the final seconds, 40-39.

Jerry Matlock hits for two points in Garland's 56-51 triumph over Denton. It was the first time in six years that the Broncos had lost a district game on their home court.



Jimmy Manley looks for someone to pass to while trying to dodge a determined Rebel. Tyler's victory sent them to the regional playoffs, where they lost to Thomas Jefferson by a score of 91-66.

This is teamwork?



It was a little crowded, but Marvin Smith still managed to work his way through a maze of Tyler Lee defenders for another two points.

The 1961 Garland "B" Team

The B-team started slow at the beginning of the year, but showed rapid improvement later in the playing season. Thus the A-team has a bright outlook for players for the 1962 Owl team.

Left to Right: Danny Rogers, guard, 5'-4"; Kirby Endsley, guard, 5'-7"; Robert Koerth, forward, 6'-0"; Mike Casteel, forward, 6'-3"; Bobby Turner, center, 6'-3"; Bubba Moffatt, forward, 6'-0"; Robert Grimsley, guard, 5'-6", Coach: Jerry Young.

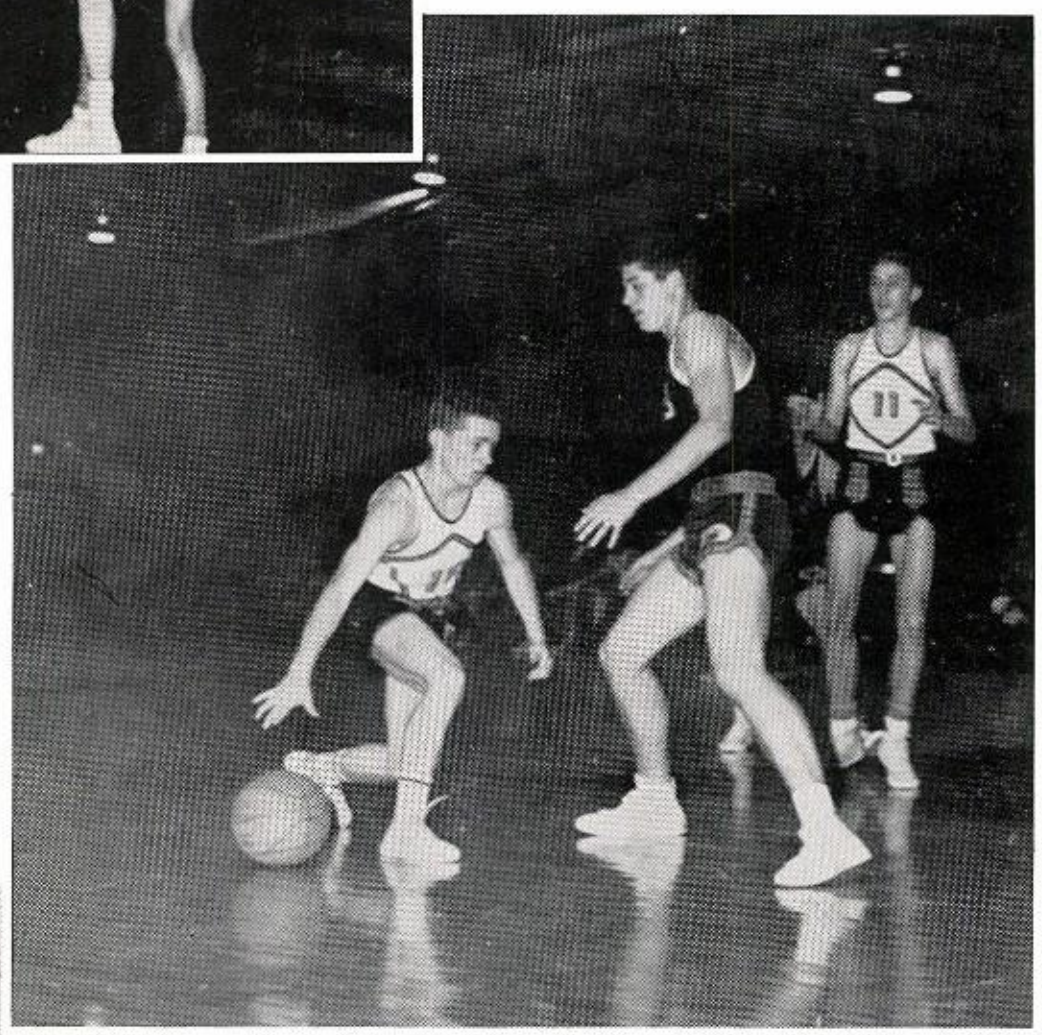
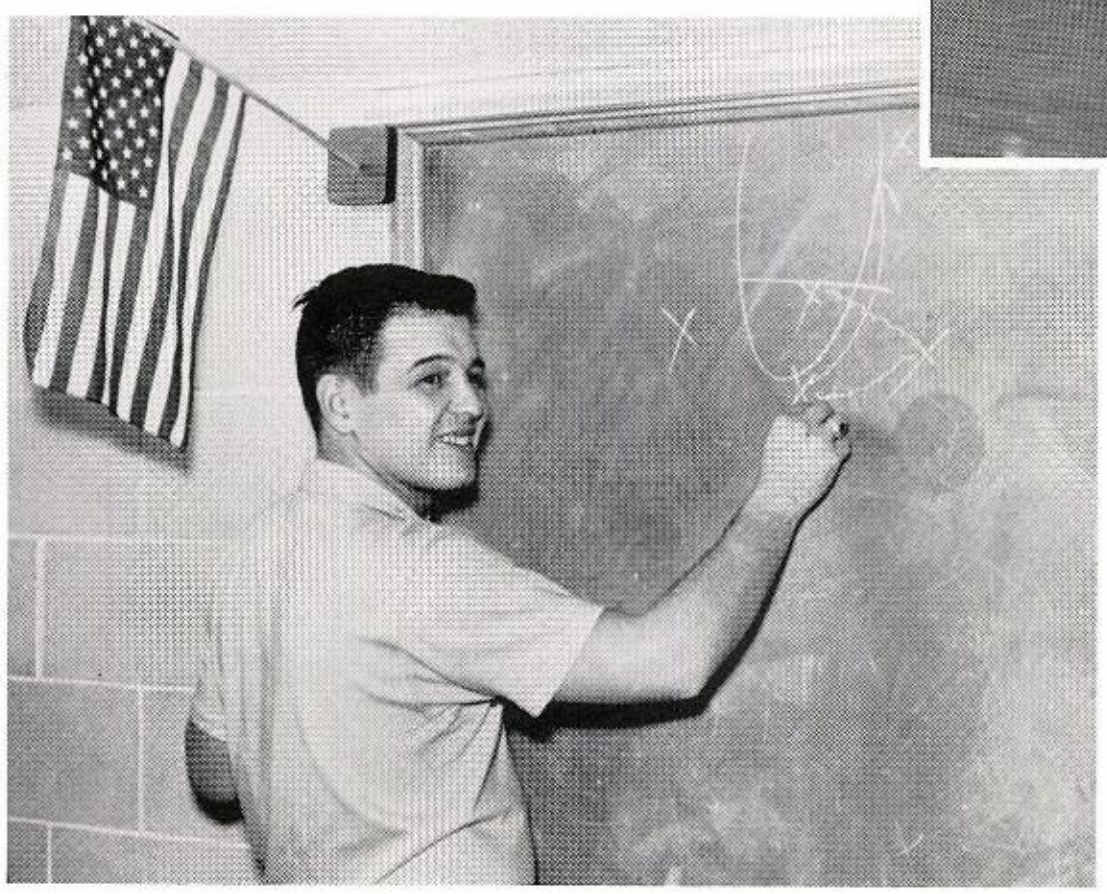
All praise to the mighty basketball.



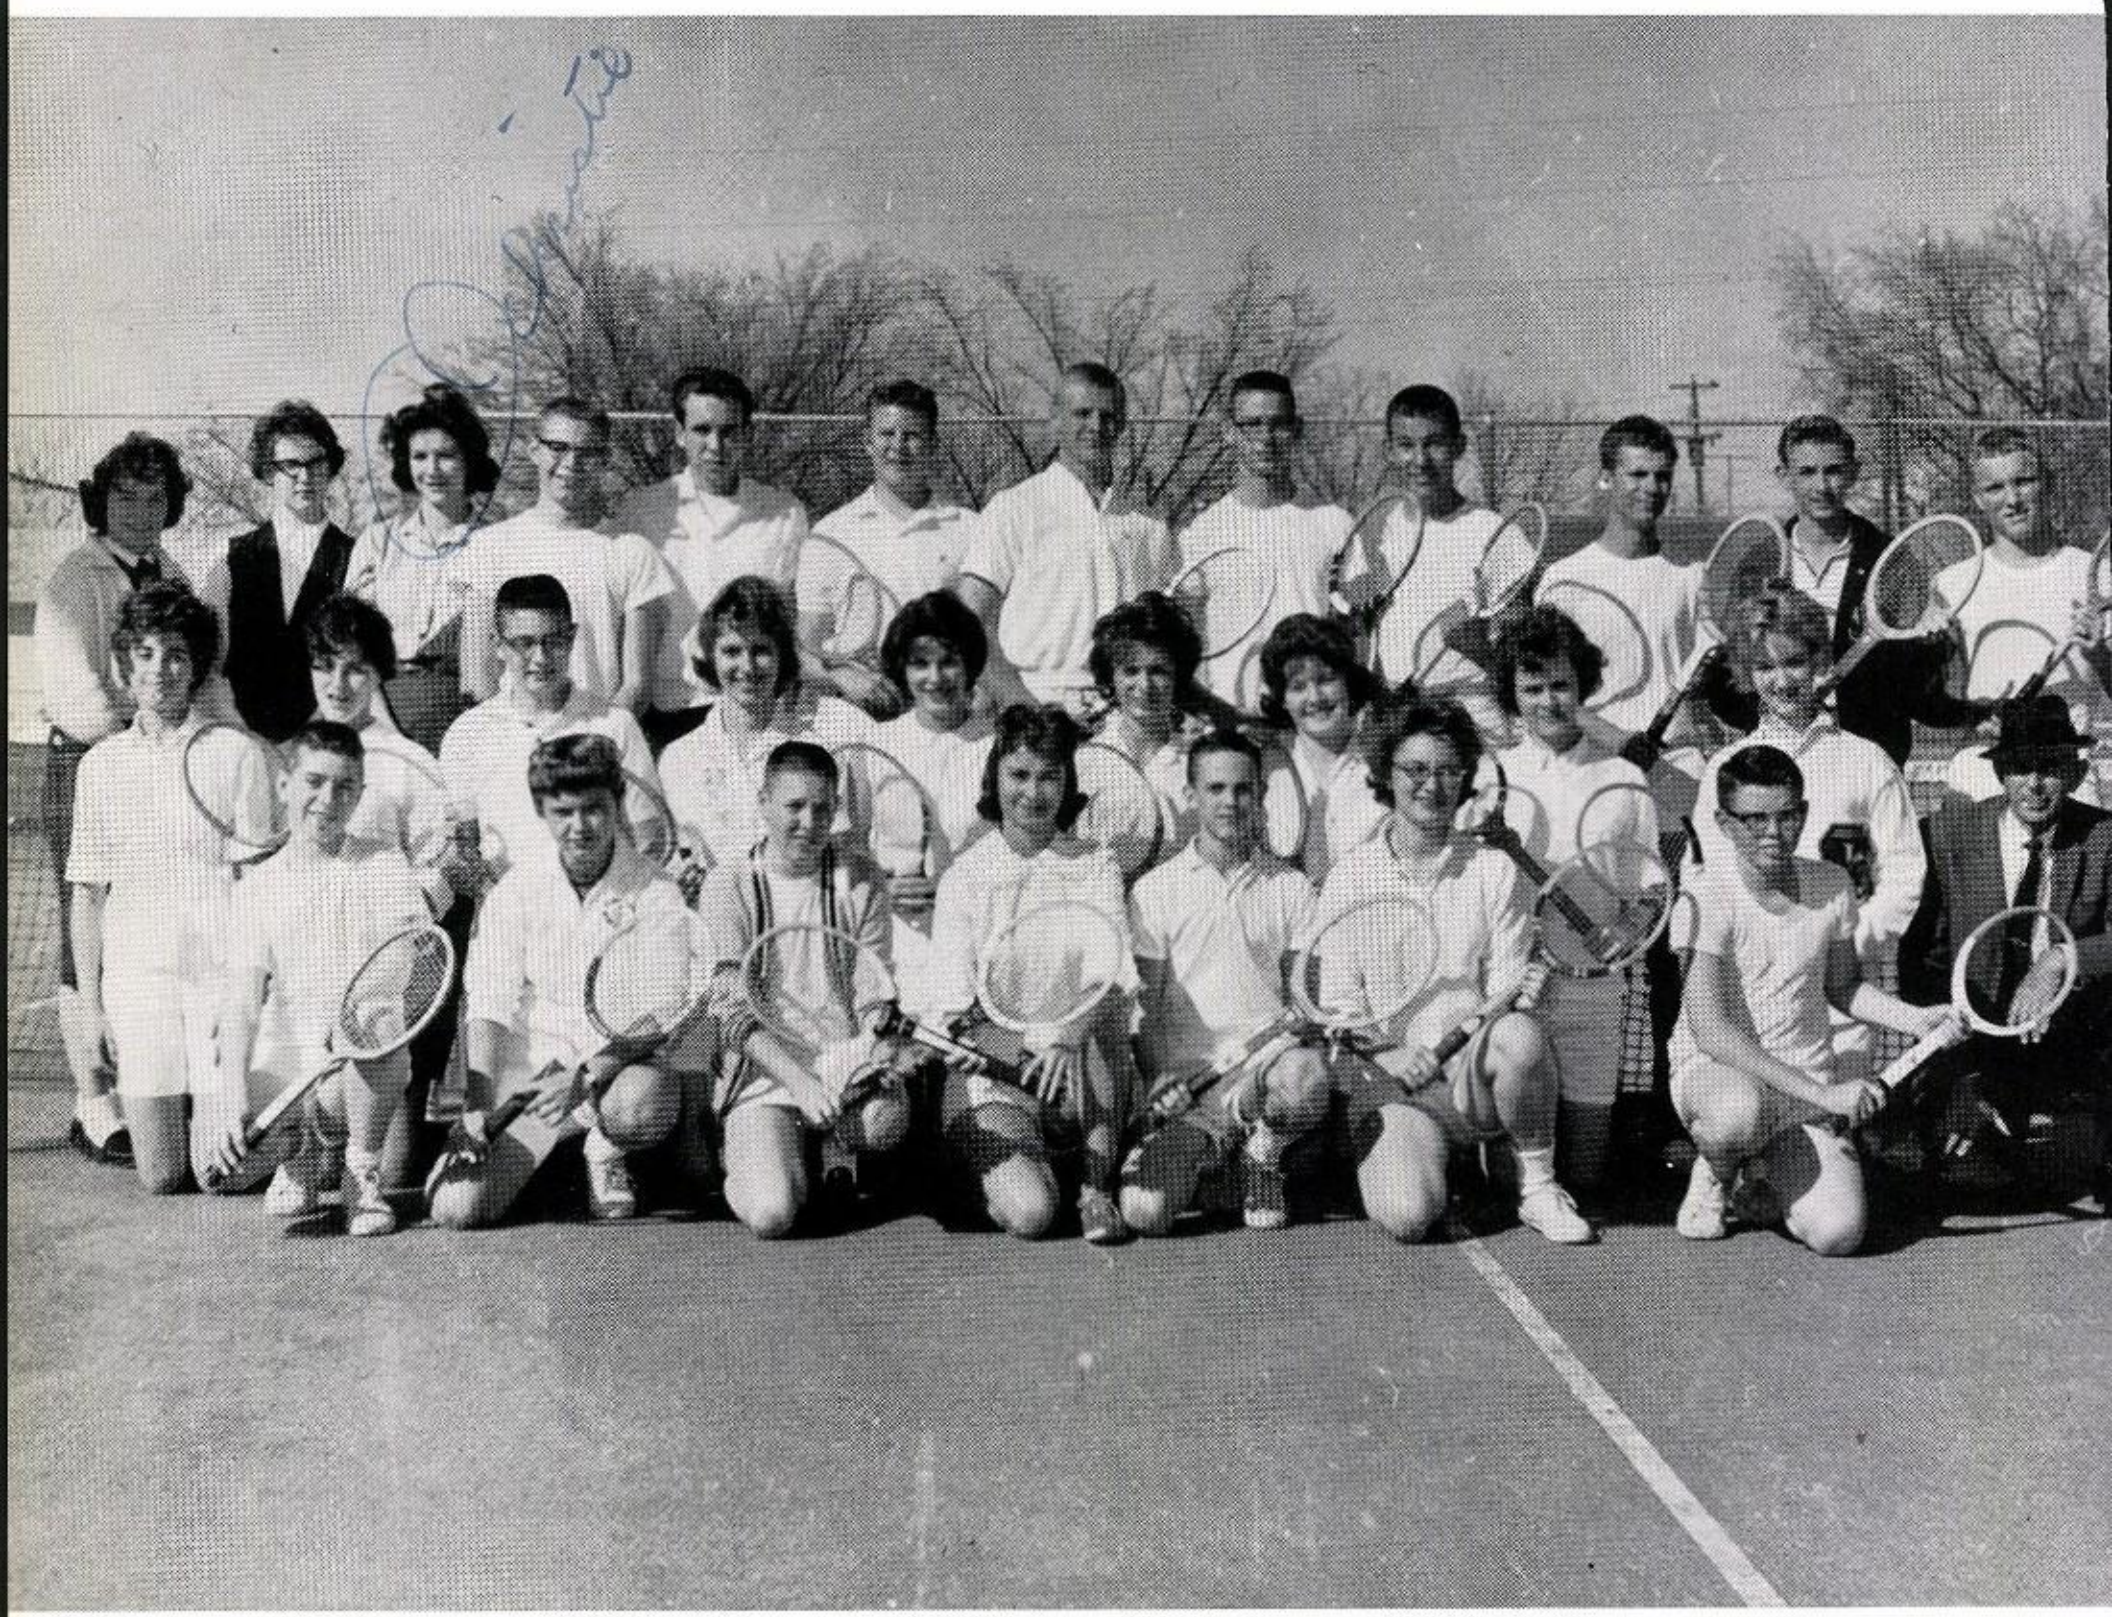
Danny Rogers goes past Denison's tall defense.



Coach Young makes some diagrams of plays on the board.

The 1962 Garland Tennis Team

The 1962 Owl tennis team has had the largest team ever this season, thus proving that tennis is a fast growing sport around GHS. They proved their might with a very rewarding season last year, and Coach Altom Williams hopes to keep up the winning streak this year.



FRONT ROW, Left to Right: Jimmy Hall, Sandra Flanagan, Jimmy Hoskins, Johnann Sebastian, Paul Whitman, Peggy Flanders, Jo Don Parker. Special

April 2, 1962

Kay,

You are my best friend and I hope we can always be very close. No matter where life takes us, I hope we can always be intouch with each other.

I'll never forget the way we met and how much fun I have that half year going around with you. It was a joy going to school then for I had someone to share it with then now I really don't have any girl friend to go around all the time like I did then.

I sure wish you still lived in Dallas. We could have so much fun together. Right now since I'm going steady. I haven't had much time for anything. If I'm not with Bill now, I'm doing something for mother or studying. I don't even had time to play tennis with lately so that's why I haven't had time to be with you or to call. Now that school is out I'll be different.

Always be as sweet as you are now and God bless you. And remember "Keep thy heart with all thy diligence for out of it are the issues of life."

P.S. Good luck with your friends and break one of them.

Love always,
Connie

- Dear Kay -

Even though we are not as good friends this year as last year, I know you remember all the fun, trouble, and themes of last year. I hope we can at least get on good or better terms. Kay, your friendship meant so much to me last year. We had problems, but oh, remember how we shared them. Why, why can't we do this now. I know your heart can't hold for me this year what it held last year, but at least we still speak. Kay if there is ever any problem, you have & can't tell anyone try to tell me because I feel I can still come to you. Last night I was reading what you wrote in my annual & tears came into my eyes wishing it was the same. I know you & I aren't as close but I am willing to give it a second chance if you are. Okay oh Kay try.

May Good fortune come your way.

God Bless you always & guide you in his way.

Love Joann Mitchell

The 1962 Track Season

Coach Bill Finley was greatly pleased with the fine efforts and showings of the track team this past season even though the team lacked experience and depth at the beginning of the season.

The 1962 track won nine first place ribbons and three trophies at Tyler Rose Relays, eight blue ribbons at Greenville meet. In the Gainesville Breakfast Invitational they beat forty-seven other high schools and took the meet.

In this past season, the Garland Owl track team has chalked up three major victories in relay meets and placed five athletes in the Regional meet held at SMU, April 14.

Junior

The Junior-Senior Dinner Dance was held on May 19, 1962, at Garland's Community Center.

The setting was a colonial garden, overlooked by the imposing facade of a southern plantation house. Moss covered trees drooped gracefully over the dance floor as couples whirled by to the sweet strains of "Tara's Theme" from *Gone With the Wind*.

The beauty of the spectacle surpassed everyone's expectations, making the Junior-Senior Prom a memory to be cherished by all who attended.
